1. I will give you leadership. I will give you leadership. I will give you leadership. I have given you leadership; you are leadership. Leadership I bring, leadership to submerse in My ways, the lines in My face even known; yea, touched; leadership of My leadership who knows Me. I am My leadership and My leadership I give to leadership My all who come forth in leadership and not pain, bearing protrusions on their forehead. I love you. I give you Me.
2. Arise and think it not strange that which I do and how I do it. And how I come, how I come around, how I change and how I operate and how I connect, how I sever, how I rearrange, how I distance, how I mature and cause all things to happen for those who will love Me with purity. Who will love Me, who will love Me at all, purity for leadership though, purity, maturity coming from meekness, humility core. I love you and I give you Me. My strong, My strengthened, My who know Me, who know submission, who know leadership, who rile and rankle not; but smooth and ameliorate and perfect that which concerneth Me, concerns you, and concerns us; our brotherhood, our sisterhood, our knighthood, our day hood coming forth, mightily before all. All knowing every detail who want to know and embrace provided. I love you.
3. Think it not strange who I connect and sever and connect and sever and bring in and out of your life, in and out of My schools, to reject Me not in the new things I am doing; but to respond to only Me. I love you and I give you Me. Me.
4. Arise, arise, arise, blessed be and see Me in all that goes forth. I love you. I give you Me, hearts of only Me, tainted not with self-promotion or self-preservation or amalgamation of not Me; but aromatically being My presence and My fragrance everywhere they are, everywhere they go, and in all that they do and say; My beauty, My beauty displayed in My body; holiness, righteousness without which no man will see Me. I love you.
5. Think it not strange technology twists and turns and bearings that pivot on My table, My magnetic pull, forces of only Me. I love you.
6. Mapped out not, only in Me and time with Me and **only in time with Me will you see My map as mapmakers you make; and leadership you lead,** to lead in leading forth the freedom'd dimensions of leadership in all who will embrace leadership in Me; drink offering required, death defeated. I love you.
7. Think it not strange abyss, gaps, purveyors of not-Me come full of promises and smiles make, but break in part that which I must redeem, and I redeem. Let them go. Operate and hold on to only Me, My voice, My words, My only of Me for the now.

8. Now is your day, your hour (1). Come into Me more all you that labor and are heavy laden (2) and I will give you rest, and peace, and strength. And know for your journey that all is provided and leadership comes to provide all, all you need and so much more, all you need and so much more. I strengthen you this day, gather and gallop on My steeds of righteousness. And think it not strange: no ups and downs anymore, five-sense-man exploded, diminished, demised, death having no hold on you any more. Delight in only Me, My rock, My salvation, My refuge, My fortress you are in. See Me. I love you. Good day.

Footnotes:

1. John 17:1 These words spake Jesus, and lifted up his eyes to heaven, and said, Father, the hour is come; glorify thy Son, that thy Son also may glorify thee:
2. Mat 11:28-30 Come unto me, all ye that labour and are heavy laden, and I will give you rest. Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls. For my yoke is easy, and my burden is light.
